tucky, Mirrouri and Iewa, for the employment of slave labor. It has an area large enough for several states, with extensive prairies. There can be no doubt but that, to some extent, claves will be immediately introduced, which will then have to be retained there until they become extent or run out, even if the territory should finally state to become a free State. In this crisis the two great requisites as the part of the Nerth are moderation and firmers, for although this attempt to wise the Missouni c mpromise is clearly a gross breached build and party faith, and is intended as an insulting defanue to free America as well as farrope, still fairness and grood faith, liberty and humanity, are all on our side, a vine-der the great administration of Providence all the vines are but the laborious slaves of the ritues, and consequently the meditated outrage is sure to be prevented.

I am yours, very truly.

GANTIEMEN-I have this moraine received your invitation to be prevented as meeting of the cliticans of New York, to protest against the repeal or violation of the Missouri compromise. I would gladly join in any such demonstration, and it would afterd me unbounded satisfaction to mite, not only with the merchanius, mechanics and others of the city of New York, but with the people of our while State, injecting this wicked breach of faith. Slavery, not content with imprisoning the free citizens of the north when they peaces by mater a Southern harbor—not attack with consigning too.
